Sequence 12, Application US/09125642C
Patent No. 6365393
GENERAL INFORMITION:
APPLICANT: BAYER AG
TITLE OF INVENTION: Parapoxviruses Which Contain Foreign DNA, a)
TITLE OF INVENTION: Their Production and Their Use in Vaccines
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        71 aLysIleSerGluThrAlaCysGlyCysValAlaAspLysAlaProGluAlaValSer--
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                -----SerLysAl
